## What is NAGE?

The National Association of Government Employees (NAGE) is a **110,000+ member** union dedicated to improving the lives of workers and their families to create a more just and humane society.

With more than **450 independent locals in 43 states**, NAGE represents employees who work for states, municipalities, the federal government, cities, towns, & corporations that provide a social or public service.

Our motto, Members First, reiterates our commitment to independence and informs every decision made by our national leadership.

## NAGE Dues Structure:

- Full-Time Rate: \$11.20/week
- Part-Time Rate: \$9.20/week
- NO back dues and NO initiation fee
- Part-timers ONLY pay for the weeks they work
- Unlike other unions, you pay NO dues until after you ratify your first contract

## What You Get:

- Professional negotiators to help you secure the strongest possible contracts- the foundation of your future.
- National Representatives with real experience to enforce the contract and guide your local through conflict.
- Collective bargaining agreement negotiated with members and ONLY ratified by members.
